Companies that uses AI in Egypt right now are:

1. Vezeeta
2. Swvl
3. Aqarmap
4. Elves
5. Instabug
6. Shezlong
7. Brightskies
8. Valeo
9. Instashop
10. Talabat

As well as most engineering and computer science colleges in Egypt are now very mindful of AI, and they always support students to work on that.
